汪 喵 被 山 寨 啦!

The image illustrates the difference between authentic and counterfeit Fantastic 98% cat food. On the left, a stack of authentic cans is shown next to a cartoon cat character with a crown, labeled with a large orange circle containing the character '真' (True). On the right, a stack of counterfeit cans is shown next to a cartoon cat character with a bow tie, labeled with a large black circle containing the character '假' (False). The counterfeit cans have different label designs, including a blue and white patterned one. The background is white.
